

AMBER HIGHWAY SUPER

Amber Highway Super is a high white, technically advanced, uncoated woodfree paper, dedicated to 'High Speed Inkjet' technology especially for transpromo, publishing segments and direct mail. Amber Highway Super is developed for b/w text and full color illustrations with a high color density and is offered in 70, 80, 90 and 100 g/m², both in sheets and reels. This paper is strongly recommended to be used in different applications: transpromo statements and invoices, manuals (color), books (color), mailings, loyalty programs and advertising folders. Amber Highway Super standard products are available as FSC™ – The mark of responsible forestry. www.fsc.org. FSC-C012880 and PEFC certified.
