

AMBER HIGHWAY REGULAR

Amber Highway Regular is a high white, technically advanced, uncoated woodfree paper, dedicated to 'High Speed Inkjet' technology especially for transactional and publishing segments. Amber Highway Regular is developed for b/w text and spot color with a medium color density and is offered in 70, 80, 90 and 100 g/m², both in sheets and reels. This paper is strongly recommended to be used in different applications: statements, invoices, manuals and b/w books. Amber Highway Regular standard products are available as FSC™ – The mark of responsible forestry. www.fsc.org. FSC-C012880 and PEFC certified.
